A trip to the drugstore for condoms led to a bareback session

XXXPIRED

Rhythmic sucking sounds melded with the crashing surf as Harley's head moved up and down in my lap. I lay there on a chaise lounge beneath the protection of a parasol.

The stretch of private beach was our own little slice of paradise. We were intent on making the most of our three-day weekend. The term "family vacation" never entered our minds; to hell with family, hers and mine.

The cozy beachside cottage belonged to Harley's well heeled parents. They didn't know the first thing about our clandestine getaway. Harley and I had driven down Thursday afternoon after classes.

Harley took a break from polishing my knob. She raised her head and smiled. "Condom?"

"In the bag," I muttered.

She reached into a canvas carryall, ferreting around a bit before finding the box of rubbers. My girlfriend had no qualms about giving bareback blow-jobs, but when it came to screwing she was a stickler for protection.

Now, watching her pluck a condom from the box, I tried to hide my frustration. Being a bareback virgin was getting the best of me. I was sick and tired of not knowing what skin on skin felt like. Harley was my first serious girlfriend, the one who had introduced me to sex – with a condom, of course, always with a condom.

Harley frowned at the foil package. "Damn."

"What's wrong?" I asked.

"These are expired."

"Expired?"

"Yeah," she said, proffering the prophylactic.

I peered at the date through my sunglasses. Sure enough, the blasted things had expired two weeks ago. And I had just bought them. The drug store near my off campus apartment had dropped the ball.

"I'm sure they're fine, babe," I told her.

"I don't know..."

"It's just a lousy two weeks. They're not exactly ancient."

"I'd feel better if we used some new ones. Rubber degrades over time. An old condom can break or tear. You don't want me to get pregnant, do you?"

I tried to twist Harley's arm, tried to convince her that the condoms were perfectly safe, but she would have none of it. I groaned with displeasure. The mood had been broken. I pulled up my swim trunks grudgingly.

Harley jingled her keys in my face. "There's a store just down the road. You'll be back in a jiffy."

"Fine," I said, swiping the keys.

A refreshing sea breeze whipped my hair as I drove Harley's convertible to the corner store. The panorama was nothing short of spectacular—the emerald ocean to my left, government protected sand dunes to my right. Despite the beautiful April weather, the water was too cold for swimming. But that would change soon enough; in another six weeks the whole town would be teeming with tourists.

I followed the narrow beach road all the way to the store. Once inside I pur-

chased a box of condoms – after checking the date, of course – and a tube of sun block.

I was speeding back to the cottage when I saw her standing on the side of the road, a blonde goddess with a hitching thumb. Her other hand held a six-pack in a plastic sack. I was eager to get back to Harley, eager to pick up where we had left off, but this was too good to be true. The goddess wore a bikini top and cutoff denim shorts, both garments leaving little to my imagination.

I braked beside her, thankful for my dark sunglasses, which prevented her from seeing my roving eyes. Hands on the wheel, I couldn't help but mentally undress her.

"Hop in," I said.

"Thank you so much," she replied, sliding into the passenger seat.

Harley was hot, sure, but this beach townie was on another level. Perfect half melon tits threatened to burst free from her top. And the cut off shorts were as skimpy as can be. Her legs were long and lean; with shapely calves tapering to a pair of low top sneakers, sans socks.

"So," I said, "where to?"

"My place."

Her name was Isabel and she had me drive to a seedy apartment complex several blocks inland where the rent was cheap. En route she had told me that her car was in the shop. "New timing belt," she had groaned, lamenting the costly repair. "It's a long hike," she had added, "but I was dying for a cold one."

"I hear you," I had said.

Now she opened the passenger door and started to get out. Then she stopped, smiling at me in a most suggestive manner. "Care to join me? I'd

much rather drink with company."

Isabel didn't have to ask me twice. Harley would just have to wait. Serves her right, I reasoned, for being so damned neurotic about expired condoms!

I followed my new friend up an outdoor stairwell, gazing at her spectacular ass the whole way. She swayed her hips for my benefit. Clearly she had more in mind than just drinking a few brews. Isabel struck me as a free spirit, the exact opposite of Harley who, despite a rebellious streak, could be awfully uptight about certain things.

Isabel's apartment was scarcely larger than my off campus cave. We sat around and drank beer and chatted. She waited tables at a local seafood restraint. "I'm thinking about going back to school," she said, "but I'm not sure."

"School is overrated," I intoned.

I debated whether or not to share my pathetic tale. Fuck it, I thought. Isabel hardly seemed the judgmental type.

I related the whole yarn, expired condoms and all. Isabel laughed hysterically. I thought she was going to crack a rib. Then, after regaining her composure, she looked at me and said, "You poor boy. How long has it been?"

"What do you mean?"

"How long has it been," she repeated, "since you fucked bareback."

"I've never fucked bareback," I confessed.

It was true. Harley was the only girl I had ever been with.

Isabel's expression betrayed much shock. "You're kidding me?"

"I'm afraid not," I told her.

"Well," she said, untying her top, "we need to do something about that."

I sat there, eyeing her huge tits hungrily as she stood before me. She felt herself up, squeezing and kneading those amazing melons, twisting her nipples while licking her lips lustily.

It wasn't long before she unzipped her shorts, letting them fall to the carpeted floor. Isabel wore pinstriped cotton panties, a dark landing strip visible through the sheer fabric. She rubbed herself through the material. Then she slid a finger in her mouth, sucking it, savoring the digit like a candy cane.

I unzipped my shorts, freeing my turgid cock. Working my hand up and down, I stroked myself slowly, prepping for the forthcoming fuck.

Isabel dropped to her hands and knees. She crawled forward, ever so

slowly, maintaining eye contact with me the entire time. Then she was there, pulling off my shorts, tossing the garment aside as she pushed my knees apart.

I felt her hot breath on my cock, felt it a fraction of a second before her tongue pressed against the bottom of my shaft. She licked me, base to flared cap, basting my rod with deft skill. This went on for some time before she took me in her mouth, devouring me in earnest for a proper blowjob.

Isabel was an enthusiastic cock gobbler, no doubt about it. She pumped her head back and forth, sucking me with slutty zeal. Her lips cinched around my member, she plunged her head repeatedly, emitting sloppy slurping sounds which upped my excitement greatly.

Harley's oral techniques were nothing compared to Isabel's. Now, having experienced the latter's skills, I realized my girlfriend's shortcomings in this department. Harley was too reserved, too timid. Isabel was a ravenous tigress.

Isabel raised her head from my lap. Her lips glistened. "My pussy is so wet, baby. I can't wait to ride your big hard cock."

"Get on it," I told her."

Isabel stood to her full height, then peeled her panties, and cast them aside. Pressing her tits in my face, she straddled me. I felt her fingers grasp my dick as she guided me inside her cleft. She lowered her hips, effectively skewering herself on my member. Her pussy

clenched me with snug heat.

She paused for a few seconds, a brief respite in which I ran my hands up and down her supple back. Then she began, gyrating and grinding with deliberate slowness. I lowered my hands

and cupped her ass, squeezing each firm cheek as she gradually increased the pace.

It wasn't long before Isabel bounced up and down in my lap, riding my cock in a frenzied cowgirl fashion. Her marvelous tits bounced in my face as she achieved a perfect pogo motion. I grabbed her hips and parried with thrusts of my own, jabbing her with everything I had.

It felt fantastic to finally have sex without a rubber. I could actually feel every delectable contour of Isabel's pussy.

I honestly didn't know if I would be able to go back to Harley, not if she insisted on protection. Now, having

experienced the wonders of bareback, would I even be able to get an erection? I didn't think so.

Isabel had climbed out of the saddle; now she lay on the sofa with her legs spread, rubbing her wet cunt.

"Fuck me good, baby. Stick it in my townie twat."

My engorged cock in hand, I stood there beside her, thanking the stars above for Isabel's worn out timing belt, and certainly the expired condoms which Harley had found so problematic. All of these things had worked in my favor.

And then some...

I moved between Isabel's legs and drove it home, burying my cock in her cooze. She grunted and raised her legs, allowing me optimal penetration. I pumped and humped, hammering her pussy with ferocity.

She wrapped her legs around my waist. I felt her fingertips digging into my shoulders, her breath in my ear as her orgasm approached.

Isabel came a few seconds before I pulled out and blew my wad all over her tits.

I took my sweet time driving back to the cottage; this despite a gazillion text messages from Harley wondering what was taking me so long. Thanks to Isabel I had made a very important decision regarding my future.

Harley was history.

I vowed to break up with her as soon as we returned to school. Until then I would try to make the most of our getaway, condoms and all.

Our relationship was okay fun while it lasted.

But I guess everything has a shelf life.

Vanessa

We return to our sexual creature double feature with the vivacious Vanessa Lee. With such an emotive face, it's easy to tell when she's having a good time. Her bodacious boobs are only complimented by her juicy ass cheeks. The clap of which is music for the soul.

WOULD YOU LIKE MY BOOBS IN YOUR FACE?

888-848-7855

MUST BE 18+

*Breasts have to be one of our top three erogenous zones...
But in this issue they're tops. And they all have their little companions so nicely nested in the middle - nipples. So we've compiled a titillating (pun intended) list of toys just for nipple and breast play. Make these an integral part of your foreplay, or leave them on for extra stimulation during your love-making sessions.*

Chavon

Chavon can be seen on any Saturday morning watering her garden. Maybe she's approached by some handsome passerby, if she were to spray herself that would be awful. If her cold perky tits could be seen through her shirt, she would need help getting back inside to change. If someone were to help her she'd have to reward such assistance.
